ARTIST OF THE
AUSTRALIAN SCHOOL OF SCIENCE ART**

**Ancient Greek Philosophy
United Art with Science
to link the living process
to the working of an
Infinite Universe.**

**Our technological culture
on the other hand,
is governed by a Scientific Law
that demands the total
extinction of all life.**

**The artists protesting
this dictatorship of destruction
point out that the concept
of an Infinite Universe is now
scientifically acceptable.**

**The Science-Art reasoning
has been investigated and formally
endorsed by the United Nations
University Millennium Project
for the South Pacific Node,
